

## COMPANY PROFILE

**TEAMS (Bahrain)** is a division of The Bahrain Ship repairing Company (**BASREC**). Established in 1962, The Bahrain Ship Repairing and Engineering Company (**BASREC**) is a Bahraini public shareholding company listed on Bahrain Stock Exchange.

**TEAMS (Bahrain)** was established in 1975. This division of **BASREC** is looking after the Technical Engineering and Marketing Services. It is an electrical engineering company specialized in providing products and services as listed in Page (2 of 2).

Associated with many leading electrical and mechanical engineering product brand names, **TEAMS (Bahrain)** is serving the needs of its prestigious clients. Our choice of partners has always been based on the basic parameters of reliability, durability, continuity and safety.

In association with ABS pumps (1975 till 2010) **TEAMS (Bahrain)** has successfully executed the biggest number of pumping stations in Bahrain. **TEAMS (Bahrain)** has been doing the engineering, assembly, testing and commissioning of the control panels for such pumping stations. The modular Motor Control Centers with Hensel Germany Polycarbonate enclosures was the first of its kind adopted by **TEAMS (Bahrain)**.

**TEAMS (Bahrain)** has got a facility for assembly of all kinds of customized LV products. We assure our customers of the best we can deliver.

### **A) MECHANICAL PRODUCTS**

1. Sectional GRP Water Tanks ( Assemble Type ) – (Hayoung Corp. – South Korea)  
(Ministry of Material Engineering Directorate, Kingdom of Bahrain, approved).
2. Industrial / Commercial / Domestic / Sewerage Pumps - (Ebara Pumps – Japan)
3. U/L FM Listed Fire Water Pumps
4. Pumps (Aqua Flow)
5. Mechanical Pipe Fittings and Accessories
6. Door Closers (Doorking)
7. Welding Electrodes (Taishan Brand)
8. Oil Filtering, Recycling & Maintenance (Europafilter)
9. Swimming Pool Heat Pump (KONNEN)

### **B) ELECTRICAL PRODUCTS**

1. Plugs, Connectors, Sockets & Combination Units (Mennekes - Germany)
2. Motor Control Centres (Locally Assembled Customized offer)
3. Sub Main Distribution Boards (Locally Assembled Customized offer)
4. Distribution Boards (Locally Assembled Customized offer)
5. **Electrical Switchgear & Controls (Schneider Electric)**
6. Low Voltage Electrical Equipment (Sassin International Electric Shanghai Co. Ltd.)
7. SE Universal Enclosures (Schneider Electric)
8. Metal Enclosures (TIBOX)
9. Electric Water Heaters (FRESH - Egypt)
10. Cables (MESC Brand – EDD, Kingdom of Bahrain, approved)
11. Cables (Nuhas Oman)
12. Various Electrical Range of Products (REXTON – U.A.E.)
13. Multiplast Dubai L.L.C. (PVC conduits and accessories)
14. GI Conduits, Conduit Fittings & Strut Systems (SMARTr)
15. LED Lighting (LUKER – USA J.V.)
16. **Jinuha Sunmaster Solar Lighting Co. Ltd. (Solar System)**
17. Energy & Automation (LOVATO)
18. Bus Duct (WILMAR)
19. Ceiling Fans (MARC Enterprises)
20. Exhaust Fans & Industrial Stand Fans (MISTRAL)
21. E-Mobility (E-Byke)
22. EV – Solution, Electric Car Chargers (Schneider Electric)

### **C) SERVICES**

1. Solar Power Electricity Equipment
2. Solutions for Water Supply
3. 11KV Switchboards
4. Capacitor Banks
5. Main Distribution LV Switchboards
6. Aircraft Warning Lights Panels
7. Motor Control Centres
